Discussion

Duane Van Hemert and Sam Harding from Iowa Schoolhouse Construction & Planning Services were in attendance at the meeting and presented information they compiled to the board regarding the reconfiguration of the IKM-Manning Community School District. They gave the board the following handouts and discussed and reviewed each: Historical District Enrollments; Projected District Enrollments with assumed 0%, 1%, -1%, and -2% annual growth; Facility Review and Recommendation of IKM-Manning CSD Central Administration, High School, Irwin Elementary, Manilla Middle School, Manning Elementary, and Transportation; Facility Evaluation & Planning Recommendations-Current Building/Grade Configurations of the Irwin Elementary, Manning Elementary, Manilla Middle School, and Manning High School; Facility Evaluation & Planning Recommendations-Potential Building Reconfigurations and Grade Alignments which included five potential scenarios.

After much discussion, the Board requested the following information from Duane and Sam: The costs projected to house the classrooms and students recommended in each of the three scenarios; the number of students transported in each of the three scenarios; Cost savings in each of the three scenarios. Duane and Sam confirmed they would have this information compiled and ready to present to the board at the next work session which was scheduled for Feb. 5, 2014 at 6:00 p.m. in the central office.

Adjournment

There being no further business to come before the workshop, Hodne made the motion to adjourn seconded by Ramsey and the motion carried unanimously. The meeting adjourned at 7:45 p.m.
